

Dear Parents,

The physical and mental well being of our students is the principal statute at Mayor World School. To provide seamless and safe learning environment to the students during pandemic, we started the new session, 2021-2022 with virtual classes for Mayor Galaxy, Grade I-X and Grade XII from 8th April 2021 and for Grade XI from 29th April 2021. Amidst the alarming surge in Coronavirus cases in the city, it became unequivocally important for us to embrace psychological support strategies. To mitigate the increased stress and anxiety among the students, we have already suspended the onscreen classes for the students of **Mayor Galaxy and Grade I-IX from Saturday, 22nd May 2021 to Sunday, 20th June 2021** (both days inclusive). We are temporarily closing the school and discontinuing the virtual sessions for **Grade X-XII from Saturday, 29th May 2021 to Sunday, 20th June 2021** (both days inclusive). **Block tests for Grade X and XII will commence from Monday, 12th July 2021.**

The good news is that now the Covid situation is stabilising with positivity rate, daily cases and active cases reducing, however we have to be careful and take all measures to stay safe.

Advisory for Parents

- Stay updated and apprise your children of age appropriate information about Covid-19
- Highlight the significance of handwash, respiratory etiquette and hygiene protocols.
- Set boundaries on their exposure to screen.
- Be supportive. Listen to them empathetically, acknowledge their difficulties and try to resolve all their queries.
- Take care of their psychological well-being. In case of anxiety, sadness, change in patterns of emotions and behaviour, take professional counsellor's advice.
- Engage your children in different creative activities like board games, gardening, art and music.
- Encourage them to do exercise and keep themselves fit.
- Make sure that they eat healthy food and have sufficient sleep.
- Reassure them that they are safe and support is always available.

Our students are our topmost concern. Our collaborative endeavours can certainly help in creating a stress free and relaxed ambience for them.

Looking forward to your constructive and consistent support.

Regards

Team
