Dear Parents,

Jai Hind!

In view of the present global situation and the inspiring appeal by our Hon'ble Prime Minister, let us all come together as responsible citizens and teach our children the values of discipline, conservation, self reliance and national responsibility.

We request all families to kindly:

- * Prefer car pooling and use school transport wherever possible
- * Avoid unnecessary foreign travel and non essential luxury purchases
- * Save water and electricity
- * Support Indian products and local businesses
- * Avoid food wastage
- * Maintain calmness, discipline and positivity
- * Respect and support our armed forces and the nation
- * Keep children aware, responsible and environmentally conscious.

The School is also taking steps towards conservation, responsible resource usage and awareness amongst students to support the vision of a stronger and self reliant India.

Together, let us build a responsible and proud future generation.

Warm regards

Mayor World School
