"Success is not an accident, but a planned event."

Dear Parents,

To make the students identify their career passions and evaluate themselves with the best possible career options, we are going to organise **'Career Awareness Programme'** for the students of **'Grade IX –XII'** in collaboration with **AptiGuide Institute, Jalandhar**. Please note that the Career Counselling Sessions will be **free of charge**.

The session will provide students with valuable insights into the world of higher education, career choices, and the tools they need to achieve their aspirations. It encompasses various topics, including scholarship opportunities, entrance exam insights, profile-building strategies, College admission possibilities, and much more.

AptiGuide team will address the following queries:

- Selecting an optimum stream/career
- Do we know other options besides Engineering in Non-Medical?
- After Medical, if not MBBS, then what?
- Is CA really a top paying career in Commerce Stream?
- Are there institutes in India which provide Higher Education free of cost?
- Do Skill based careers also pay well?
- Career options for not so academically genius students.
- Myths related to unconventional careers like Animation, Hotel Management etc.
- Education Abroad and its nuances - Continuous Profile Building
