Dear Parents,

You will be happy to know that our School is organising **Rocksport Residential Programme** in the summer vacations for **classes VI to VIII** from **14th June 2022, Tuesday to 16th June 2022, Thursday** at **Rocksport, Chail**.

Rocksport Residential Programme is an experiential learning holiday for school students. As nature keeps us grounded, obstacles make us perseverant, adventure makes us tough, at **Rocksport Programme**, these three forces combine to unleash the X factor in children and give them a power packed experience that pushes them to challenge themselves, enhance their confidence and acquire new skills.

Each day at camp is customised to bring out different aspects of a child's personality and hone the life skill. Children at camp explore nature, visit villages to get a taste of rural lifestyle and live independently, becoming self-reliant. They work in groups and become more accountable and compassionate.

Rocksport, Chail – Mountain Biking and Survival Training
