

Dear Parents,

The list of books for the Academic Year 2023-2024 has been uploaded on the School Website. We do not authorise any particular or preferred shop for purchasing books and uniform. Parents are free to source the books and uniform from any vendor in the market, as per school's specifications. List of shops is uploaded on the school website. However on the verbal and written request of parents, non- compulsive arrangements at the campus have been made to make available the books and notebooks on the day of PTM.

The School is offering highly balanced, hygienic, tasty & nutritious meals and thus plays an important role in shaping lifelong healthy eating habits. Children practice better eating habits and learn dining etiquette and table manners too. The meals include variety such as fruit, vegetables, and whole grains which provide key nutrients like calcium and fiber. The parents are encouraged to participate in the non-compulsive meal programme offered by the school at nominal cost, in the best interest of their children. Interested / non- interested parents may approach the school office and submit their requirements before the start of new session to enable the School to plan efficiently.
