### Earth Day Activity – Homes for Birds

Dear Parents,

Jai Hind!

On the occasion of Earth Day, our School is organising a meaningful and creative activity to promote care and empathy for nature.

Students are requested to bring a hollow green coconut shell with the top opening widened by the vendor. This will help us convert it into a safe and comfortable home for birds for this scorching summer.

Students will decorate and paint these coconut shells in School, turning them into beautiful bird shelters.

1. Kindly ensure the following:
2. The coconut shell should be clean and completely hollow.
3. The opening should be widened for easy access for birds.
4. Bring a jute thread/string to hang the coconut.
5. The coconut must be clearly labelled with your Name, Class, and Section using a permanent marker.
6. Bring the coconut shell by 20<sup>th</sup> April 2026, Monday.

Let us come together to show kindness towards our feathered friends and make a small yet impactful contribution to nature.

“A small act of care can create a big change.”

Warm regards,

Mayor World School
