

13th July 2026

Dear Parents,

Jai Hind!

As part of our **Kaushal Bodh Activity**, we are organising an educational visit to 'Van Maya' for the students in the **Project:- School Habitat Garden**.

'Van Maya', developed by **Mayor World School**, is a unique green space that not only provides food and shelter for birds and animals but also serves as the lungs of the surrounding area.

During the visit, students will explore the habitats of various birds and insects and interact with an expert gardener, who will guide them on how to create and protect nature-friendly habitats in gardens. This experience will encourage children to develop love, empathy, and a sense of responsibility towards nature and all living beings.

Date: Saturday, 18th July 2026

The activity will be conducted during school hours under the supervision of teachers.

Please Note:- It is a mandatory activity.
