		Grade VIII – 11:30 am – 2:00 pm

Students are requested to adhere to the following instructions while appearing for the Oral Examination.

1. An average of 6-8 questions will be asked from each child.
2. Students should join 10 minutes before the commencement of the oral examination.
3. Maximum marks for each exam will be 30.
4. Students are advised to keep stationery (pen, pencil, ruler, compass and a notepad) readily available while attempting the exam.
5. The camera of the phone/laptop should be adjusted in such a manner that the proper face of students, hand movements and notepad are clearly visible to the invigilator.
6. Students may exit the oral examination group as and when their turn gets over.
7. The session will be locked five minutes after the beginning of oral examination. The parent should ensure that they have good internet connection.
8. Any student who is late by more than five minutes after the commencement of the examination will not be allowed to enter the class.
9. The student must take examination at an isolated place.
10. No break is allowed during the examination.
11. Student/Parent should immediately inform the class in-charge in case of any network issue.
12. If a student does not join the virtual oral test, he/she will be marked absent.
