Inspiring excellence

सplash of colours,
happiness
and bliss

26th March 2021

This year, on top of trying to juggle responsibilities, the PARENTS and the beloved GRANDPARENTS have adopted new roles to support their little ones.

The surprising patience and generosity has paid off as we see our little ones climbing up the ladder and bidding good-bye to their class teachers.

And this celebration is for the pillars of our families:

OUR GRANDPARENTS

Please Note:

- ✓ Participation can be from the maternal and paternal grandparents.
- ✓ The grandparents who are at a distance, can join the celebration.

Together we can make this celebration zealous by following certain directives:

- The Zoom Celebration will begin at **11:30** am.
- We will follow a **WACKY-TACKY** dress code which includes colourful or mismatched clothing (Have a look below!)

- The celebration will be full of games, dancing and lots of fun.
- The taste of Gujia and sips of Thandai will add flavors to the Pre Holi Bash.
- The Zoom Id and the requirements for the session will be shared shortly.

Looking forward to your enthusiastic participation.
