International Sports Exposure Programme

UK Cricket Tour 2026

From Jalandhar to Lord's – Mayo World Students Step onto the Global Cricket Stage

Dear Parents,

Jai Hind !

Mayo World School is proud to introduce an International Cricket Exposure Tour to the United Kingdom in 2026, offering our students a rare opportunity to experience cricket and learning at the global level.

This carefully designed programme will allow students to gain international sporting exposure, compete against reputed English schools and clubs, and experience the environment where world-class cricket is played and celebrated.

Leading schools across the world organise such programmes because true education goes beyond classrooms and textbooks. Global exposure builds confidence, independence, leadership and character.

Mayo World School is delighted to bring this first-of-its-kind opportunity in our region.

Tentative Travel Dates

26th May 2026 – 04th June 2026

Duration: 9 Nights / 10 Days

Programme Highlights

- * Matches against reputed English schools and cricket clubs
- * Professional cricket training sessions
- * Visit to the legendary Lord's Cricket Ground – the Home of Cricket
- * Educational visit to Oxford University
- * Cultural exploration of London and iconic landmarks
- * Interaction with international sporting environments

Students will step into the world where cricket legends have performed and where the game continues to inspire millions.

Why Programmes Like This Matter

Many of the world's greatest cricketers grew through competitive environments, international exposure

and professional training systems

Cricket legends such as: Sachin Tendulkar, Virat Kohli, Ben Stokes, Joe Root, Kane Williamson, all developed their excellence through high-level competition, discipline and global exposure.

Experiences like these help students develop • Confidence • Leadership • Teamwork • Independence • Competitive spirit • Global outlook

Such programmes are a regular feature in top international schools worldwide.

Important Information for Parents

- * Registrations will be accepted on a first-come first-served basis.
- * The programme is open to both boys and girls.
- * Maximum group size: 15 students only.
- * Registration does NOT guarantee selection.
- * Final selection will be conducted by experienced cricket experts and coaches based on trials and evaluation.

Parents who wish their ward to participate may register their interest at the earliest, as seats are limited.

Detailed proposal and tour information are attached for your reference.

We look forward to giving our students the opportunity to represent Mayor World School on an international stage and experience cricket at the global level.

Warm regards

Mayor World School

Proposal & Offer to Organise UK Cricket Tour 2026

In association with: Mayor World School, Jalandhar

Dear Principal,

Greetings from MAMS Sports Tours!

We are delighted to inform you that we are organising a **UK Cricket Tour 2026**, scheduled to take place in **London (United Kingdom) from 26th May 2026 to 4th June 2026**. **MAMS Sports Tours** is a professional organisation that specialises in international sports and educational tours for schools and young athletes. We work closely with leading institutions, coaches, and sporting venues worldwide to ensure students not only enhance their athletic abilities but also gain meaningful global exposure.

We would be honoured to collaborate with **Mayor World School** in organising this international sports tour and assure you of our commitment to maintaining the **highest standards of safety, professionalism, and student experience** throughout the programme. We see this initiative as a valuable opportunity for MWS students to develop **cultural awareness, confidence, adaptability, teamwork, and independence**—all essential life skills in today's global environment. It would also make MWS the **only school in Jalandhar** to undertake this initiative, which firmly aligns with the school's vision towards sport as a pathway to learning, leadership, and global citizenship.

The tour itinerary has been carefully designed to include **professional training sessions, competitive matches, sightseeing, and academic visits to prestigious universities and landmarks**. This balanced approach ensures that students enjoy a **safe, structured, and enriching international experience**.

MAMS Sports Tours is led by **Mr Arpit Panjwani**, an alumnus of **The Doon School, Shri Ram College of Commerce**, and **IE Business School (Madrid)**. The organisation has recently conducted highly successful cricket tours to the **United Kingdom** and **Australia** for students of **The Lawrence School, Sanawar**. **We are now proudly organising similar tours** for other schools, including Bishop Cotton School (Shimla), Yadavindra Public School (Mohali), and Good Shepherd International School (Ooty). All of these tours are thoughtfully curated to balance training, competition, education, and recreation, making them truly memorable experiences for the participating students.

Please refer to the **attached document** for detailed information regarding the **travel itinerary, inclusions, and exclusions**.

Please note the following important points:

- Students will **not be permitted to book individually**, as this would affect the group pricing structure. **Flight options from Amritsar are being worked out and are subject to availability.**
- **Total Tour Cost:** INR 3,00,000/- (inclusive of GST)
- **Initial Deposit (Booking Amount):** INR 1,00,000 per student for registration confirmation
- **Last Date to Confirm Participation: Saturday, 21st March 2026**

We encourage you to share this information among interested parents to confirm their child's participation as soon as possible to secure their place on this exciting international sports tour.

Warm regards,
Arpit Panjwani

10 DAY UK TOUR FOR LAWRENCE SCHOOL SANAWAR STUDENTS

From 6th to 16th June (2025), a contingent of students from Lawrence School, Sanawar embarked on an enriching 10-day tour of the United Kingdom. This meticulously planned excursion was designed to provide students with a unique blend of sporting, cultural, and social experiences.

The tour encompassed a series of cricket matches against top UK cricketing schools and clubs, **including Dulwich Cricket Club, Merchant Taylors' School, Sevenoaks School, Stowe School, Forest School, and Lingfield School.**

These matches not only showcased the cricketing prowess of our students but also fostered camaraderie and sportsmanship. The students demonstrated exceptional skill, teamwork, and dedication, making the tour a resounding success.

Visits to two of the UK's most prestigious

educational institutions, Eton School and St. Edward's School, were also a highlight of the tour. Both schools extended a warm welcome, providing comprehensive walking tours and showcasing their state-of-the-art facilities. The students were impressed by the rich history, academic excellence, and commitment to holistic development that these institutions embody.

One of the tour's most thrilling experiences was watching the World Test Championship finals between Australia and South Africa at the iconic Lord's Cricket Ground. The students witnessed South Africa's historic victory, marking their first-ever WTC title. The electric atmosphere, exceptional skill on display, and the significance of the occasion made it an unforgettable experience for all.

The students also visited the Natural History Museum, where they discovered fascinating scientific facts and marvels. The museum's vast collections and interactive exhibits sparked their curiosity, encouraging them to explore the wonders of the natural world.

During their visit to the Houses of Parliament, the students gained valuable insight into the British political system and its rich history. They witnessed how the democratic process and debates / discussions shape the nation's policies and have had a significant influence in the formulation of the Indian Constitution and Parliamentary Democratic systems. This experience provided a unique perspective on governance and civic engagement.

The tour also included visits to London's most iconic landmarks, such as Buckingham Palace, Windsor Castle, the Big Ben Westminster Abbey, the Tower of London, and other notable sites. The students immersed themselves in the city's vibrant atmosphere, absorbing its rich history, cultural diversity, and architectural splendor.

Throughout the tour, the students were treated with exceptional kindness and hospitality by their hosts. Delicious lunches and high teas were served, making the students feel valued and appreciated. These gestures of warmth and generosity contributed significantly to the tour's success.

The 10-day UK tour was a resounding success, providing The Lawrence School, Sanawar students with a unique blend of sporting, cultural, and social experiences. The tour not only honed their cricketing skills but also broadened their perspectives, fostering personal growth, confidence building and all-round excellence. The memories and lessons learned during this tour will undoubtedly have a lasting impact on their lives.

THE LAWRENCE SCHOOL, SANAWAR : AUSTRALIA CRICKET TOUR (December 2025)

The Lawrence School, Sanawar Junior Cricket Team undertook a highly enriching and memorable cricket tour to Australia from 14th to 25th December 2025. The tour itinerary was meticulously organised to create a balanced blend of **competitive sport**, **experiential** and **intercultural learning**, **leadership development**, and **essential life skills** such as time management, decision-making, and independence. Each day was carefully structured to maximise learning opportunities both on and off the field.

The journey commenced from **New Delhi on 14 December**, with travel via **Singapore to Sydney**, followed by a transfer to **Canberra**. Despite long travel hours and tight schedules, the students displayed discipline, adaptability, and teamwork from the very beginning. Canberra served as the initial base, where the team played its opening matches against **St Edmund's College**. These matches exposed players to Australian playing conditions, faster pitches, and disciplined team strategies, strengthening **resilience** and **tactical understanding**.

A major highlight in Canberra was the visit to the

Australian Institute of Sport (AIS), where students gained valuable insights into elite training methodologies, sports science, fitness planning, and professional athlete discipline. Academic and civic learning was further enriched through visits to the **Australian Parliament**, the **National War Memorial** - where the team respectfully attended the Last Post Ceremony - and the **Indian High Commission**, fostering historical awareness, civic responsibility, and national pride. The visit to **Questacon**, the National Science and Technology Centre, encouraged curiosity and innovation through hands-on scientific exhibits.

The tour progressed to Sydney, where the team competed against reputed local clubs including Normanhurst Cricket Club, Bankstown Cricket Club, and Inner West Harbour Cricket Association. These matches challenged the players' skills while reinforcing **leadership, teamwork, communication, and sportsmanship**. Playing alongside and against students from diverse backgrounds - including girls - helped break social barriers, build **confidence, and promote inclusivity** in a global sporting environment.

An important life skill developed throughout the tour was learning to navigate Australia's efficient public transport system. Students independently used buses, trains, metros, and trams across Canberra, Sydney, and the Gold Coast, gaining practical knowledge of routes, schedules, ticketing systems, and time coordination - an **invaluable lesson in responsibility and real-world problem-solving**.

Cultural exposure was further enhanced through visits to iconic landmarks such as the **Sydney Opera House**, **State Library of New South Wales**, **Royal Botanic Gardens**, and **Olympic Park**. Attending a live **Big Bash League** match at **ENGIE Stadium** provided insight into professional sporting culture, crowd management, and stadium protocols.

The Gold Coast leg offered a blend of recreation and learning. Visits to **Warner Bros. Movie World** and **Wet'n'Wild** required effective time management and decision-making due to festive crowds. The students also experienced Australia's **culinary diversity**, enjoying a wide range of international cuisines, including local Australian fare, Turkish, Asian and multi-cultural street dining, broadening their **cultural appreciation through food**.

Overall, the tour was a transformative journey that successfully integrated sport, education, cultural exposure, and life skills. The meticulously planned itinerary nurtured confident, disciplined, culturally aware, and independent young leaders - true ambassadors of The Lawrence School, Sanawar.

High School International Sports Tour: Booking & Cancellation Policy

Organising an international youth sports tour is like laying the foundation for a successful season—it requires early commitment, precise coordination, and absolute teamwork. Long before our student-athletes step onto the pitch, we are securing tournament registrations, hiring international grounds, confirming local fixtures, and blocking group flights and youth-appropriate accommodations.

Because these logistical pillars require significant, non-refundable upfront payments, we have designed a policy that protects the integrity of the tour while offering fair, transparent guidelines for parents and schools.

1. Securing the Roster (The Deposit)

- **25% of the Total Tour Cost** is required to confirm the student's spot on the roster.
- **Status:** Non-refundable and non-transferable to other dates.
- *Why?* This initial deposit goes immediately toward hard costs: tournament entry fees, booking international sports facilities, securing group flight blocks, and initiating the visa group application process.

2. Standard Cancellation Schedule

If a student must withdraw from the tour, the following charges will apply based on the date we receive written notice from the parent or school coordinator:

- **More than 60 days before departure:** * **Cancellation Charge:** 25% (Loss of deposit only).
 - *Fairness Note:* We encourage early sign-ups to build the team. If family plans change well in advance, you will only forfeit the initial deposit. No further penalties apply.
- **Between 45 and 59 days before departure:**
 - **Cancellation Charge:** 50% of the total tour cost.
 - *Reasoning:* At this stage, we finalise our team numbers with international host schools/clubs, lock in our transport coaches (which are sized based on headcounts), and international hotels enforce their strict cancellation penalties for our group block.
- **Between 30 and 44 days before departure:**
 - **Cancellation Charge:** 75% of the total tour cost.
 - *Reasoning:* Flights are fully ticketed, rooming lists are locked, and tournament brackets are officially finalised based on our exact squad size.
- **Less than 30 days before departure (or No-Show):**
 - **Cancellation Charge:** 100% of the total tour cost.
 - *Reasoning:* A late withdrawal impacts the entire team's ability to compete. Furthermore, due to the complex timeline of processing international visas for minors from India, it is impossible for us to onboard a replacement student this

close to departure.

3. Flexibility & Fairness Clauses

We understand that teenage life is unpredictable. To support our families, we offer the following exceptions:

A. Student Player Substitutions (Name Changes) If a student is unable to travel, the school or parent may transfer the booking to another eligible student up to **60 days prior to departure**, provided the replacement student has sufficient time to secure the required visa.

- *Cost:* You will only be charged a standard administrative fee (e.g., ₹5,000) plus any actual name-change fees imposed by the airlines. This keeps the team squad full and minimises financial loss for the family.

B. Visa Rejection We assist with rigorous visa preparation, but final decisions rest with the embassy. If a student's visa is formally rejected despite submitting all required, accurate documents (including mandatory parental No Objection Certificates) on time:

- You will be refunded the tour cost *minus* the 25% non-refundable deposit and any actual visa application fees incurred.
- *Note:* This does not apply if the rejection is due to late document submission or incomplete parental consent forms.

C. Fixture Adjustments International youth sports rely on the goodwill of host clubs and schools. If a specific local team cancels a friendly match, we guarantee a replacement fixture or an equivalent training session with local coaches. Because the core value of the tour (travel, accommodation, training, and team building) remains intact, fixture adjustments do not qualify for partial refunds.
