Let's give summer a big fat cheer!

Summer is the best time of year.

Dear Parents ,

Jai Hind!

Vacation is a time to reinvigorate and revive. However the duties of a student must not be forgotten either. A balance, therefore between, recreation and work must be found to ensure a break that is productive as well as relaxing. Holidays are meant for enjoyment and if this time is used for creative pursuits, it becomes a learning experience. The Holiday homework has been design to be a meaningful and creative exercise. Ensure the child is involved with your guidance.
