

Dear Parents,

Greetings from Mayor World!

The pandemic has brought an upheaval in the education system. Though throughout these unprecedented circumstances the School has ensured to deliver unrivalled online learning opportunities for the students, yet it has not been able to be at par with the real offline classroom teaching. Learning is not just about academics and examinations; it is about holistic development in a socially congenial environment. The feeling of oneness with the educators and peers is the need of the hour for our children.

Working for their best interest and as per the new Covid protocol, the School has decided to warmly re- open its gates for its beloved Mayorites **from 8th February 2022, Tuesday for Grade VI to XII.**

The timings for the same are as follows:

Grade VI to X - 8:45 am to 2:25 pm.

Grade XI and XII – 8:45 am to 1:00 pm.

We do understand the concern of our parents and re-assure that we will follow the SOPs and guidelines announced by the Government religiously and make the School a safe place of learning.

General instructions

- Students must report to school on time and in proper School uniform.
- Students must carry their own lunch box and water bottle.
- The guidelines for the students who have opted for meals and transportation facility will be shared soon.

Looking forward to meet our young learners again.

Warm Regards

Mayor World School
