

Dear Parents,

Greetings from Mayor World!

Learning is not just about academics and examinations; it is about holistic development in a socially congenial environment. Though throughout these unprecedented circumstances the School has ensured to deliver unrivalled online learning opportunities for the students, yet it has not been able to be at par with the real offline classroom teaching. The feeling of oneness with the educators and peers is the need of the hour for our children.

Working for their best interest and as per the new Covid protocol, the School has decided to warmly re- open its gates for its beloved Mayorites **from 17<sup>th</sup> February 2022, Thursday for Mayor Galaxy and Grade I- V.**

**The timings for the same are as follows:**

Mayor Galaxy- 10:00am to 1:00 pm

Grade I to V - 8:45am to 2:25 pm.

We do understand the concern of our parents and re-assure that we will follow the SOPs and guidelines announced by the Government religiously and make the School a safe place of learning.

### General Instructions

- Students must report to school on time and in proper School uniform.
- Students must carry their own lunch box and water bottle.
- The guidelines for the students who have opted for meals will be shared soon.
- Transport facility will be available for students of Grade I to V from 17<sup>th</sup> February 2022. We assume that those students who were availing this facility prior to closing of the School would continue to do so. In case of any change, please inform Transport In charge Mr Rajesh Sharma at 9914012727 by 16<sup>th</sup> February.
- Transport facility for students of Mayor Galaxy shall be resumed from Monday, 21<sup>st</sup> February 2022.
- Please be informed that the bus routes would continue to be the same as before, when the School closed for winter break i.e. 28<sup>th</sup> December, 2021.

Looking forward to meet our young learners again.

Regards

Mayor World School
