Dear Parents,

Jai Hind!

We are delighted to share a piece of wonderful news that marks a truly historic moment for our community. With the continuous efforts and persistence of the School Management, the C7 Railway Crossing near Mayor World School has finally been reopened.

This decision is exceptional as per the Ministry's policy, once a railway crossing is closed, it is rarely, if ever, reopened. The reopening of C7 will make school access smoother and safer for everyone, reducing congestion and ensuring greater convenience for all parents and students.

Adding to the good news, the Railways have also sanctioned a new underpass at C7, which will soon connect Urban Estate Phase 2 and Phase 1 seamlessly. Work on this project is expected to begin shortly, providing multiple safe and congestion free routes to reach the School.

We sincerely thank all parents for their continued cooperation, patience, and trust throughout this process. Your support has been invaluable in helping us achieve this milestone for the community.

Warm regards,

Charu Trehan
