

Dear Parents,

**Greetings of the day!**

We are glad to inform that the Punjab Government has allowed reopening of schools in a graded manner.

**Initially, we plan to reopen the School for students of Grade X to XII beginning 30th July 2021, Friday. Timings would be from 9:00 am to 1:00/1:40 pm.** Safety is at the foremost of our minds and we have already in place the necessary Standard Operating Procedures (SOPs). Our teachers and support staff would be at hand to assist the students and also ensure physical distancing. As a measure of assurance, we may inform that our teachers and admin staff members have been administered vaccine.

The Indian Council of Medical Research has been advocating gradual opening of schools. We believe if this initial phase goes well and ofcourse depending on the pandemic, opening of remaining classes could be in the realm of possibility. Sitting at home in front of the screen has its own effects especially curtailing children's freedom which is so precious for them. The joy of coming to school, meeting their mates and playing pranks is infact a real elixir for them. We are eagerly awaiting for those days.

**We request the parents to fill in the consent form attached herewith and submit it to the respective class teachers by 29th July 2021.**

We are starting on a positive note and hopefully bring joy and smiles to our students. Our teachers are looking forward to welcoming them.

We hope to work together and look forward to your support.

Warm Regards,

Director
