

**OUTLINE OF CONCEPTS FOR KG I FOR THE MONTH OF  
APRIL AND MAY 2026**

---

**THEME: OUR WONDERFUL PLANET**

**MONTH - APRIL**

**ENGLISH**

**Concepts and Skills**

- **Recapitulation of Capital Letters A–Z**
- **Introduction to small letters a, b with phonics**
- **Missing letters**
- **Dot joining and look-and-write**
- **Picture talk and DEAR (Drop Everything and Read) sessions**
- **Vocabulary related to Earth**

**Learning Outcomes**

- **Recognise and recall capital letters A–Z**
- **Identify and sound out letters a and b**
- **Develop early reading readiness through picture observation**
- **Build vocabulary related to surroundings and nature**
- **Improve fine motor skills through tracing and writing**

**MATHEMATICS**

**Concepts and Skills**

- **Counting 1–30**
- **Tens and Ones (basic understanding)**
- **Pre-number concepts: Big/Small, Thick/Thin**
- **Dot joining and count-and-write**

## **Learning Outcomes**

- **Count objects up to 30 confidently**
- **Understand basic grouping (tens and ones)**
- **Differentiate between sizes and thickness**
- **Strengthen number recognition and writing skills**

## **ENVIRONMENTAL STUDIES**

### **Concepts and Skills**

- **Introduction to Earth (our home planet)**
- **Importance and uses of water**
- **Uses of plants**
- **Living and non-living things**
- **Summer fruits**
- **Soluble and insoluble substances**
- **Waterproof materials**

### **Learning Outcomes**

- **Understand that Earth is the only planet with life**
- **Recognise the importance of water and plants**
- **Identify living and non-living things**
- **Develop awareness about nature and environment**
- **Build curiosity through simple observations**

## **ART AND CRAFT**

### **Activities**

- **Tear and paste**
- **Rock painting**
- **Best out of waste (3R's: Reduce, Reuse, Recycle)**

## **Learning Outcomes**

- **Enhance creativity and imagination**
- **Develop fine motor skills**
- **Understand the importance of recycling**

## **LET'S BE SCIENTISTS**

### **Experiments**

- **Floating and sinking**
- **Oil and water**
- **Water magic (floating shapes)**
- **States of water (solid, liquid, gas)**

## **Learning Outcomes**

- **Develop curiosity and observation skills**
- **Understand basic scientific concepts through play**
- **Ask questions and explore surroundings**

## **LIFE SKILLS**

- **Watering plants**
- **Cold kitchen activities**

## **Learning Outcomes**

- **Develop responsibility and care for nature**
- **Learn simple daily life skills**

## **CELEBRATIONS**

- **Baisakhi**
- **Earth Day**

## **THEME: ALL ABOUT ME**

### **MONTH – MAY**

#### **ENGLISH**

##### **Concepts and Skills**

- **Introduction to letters c, d, e with phonics**
- **Missing letters, dot joining, look-and-write**
- **Vocabulary related to body parts and self**

##### **Learning Outcomes**

- **Identify and pronounce letters c, d, e**
- **Build vocabulary related to self and body**
- **Express thoughts through picture talk**
- **Improve early writing skills**

#### **MATHEMATICS**

##### **Concepts and Skills**

- **Counting 1–50**
- **Tens and Ones**
- **Pre-number concepts: Tall/Short, Thick/Thin**
- **Theme-based counting (birthday candles, name letters)**

##### **Learning Outcomes**

- **Count and recognise numbers up to 50**
- **Compare height and thickness**
- **Apply counting in real-life situations**
- **Develop number sense**

## ENVIRONMENTAL SCIENCE

### Concepts and Skills

- My School
- My Family
- My Home
- I am Unique (fingerprints)

### Learning Outcomes

- Understand family roles and relationships
- Recognise self-identity and uniqueness
- Build social awareness and confidence
- Express feelings about home and school

## ART AND CRAFT

### Activities

- Listening and drawing
- My School Bus
- My Favourite Fruits

### Learning Outcomes

- Improve listening and interpretation skills
- Enhance creativity and expression
- Develop hand-eye coordination

## LIFE SKILLS

- Wearing socks and shoes

### Learning Outcomes

- Develop independence in daily routines
- Improve self-help skills

## CELEBRATIONS

- Labour Day
- Mother's Day
- International Day of Families

## OVERALL DEVELOPMENT GOALS

- Language development through phonics and storytelling
- Numeracy skills through hands-on learning
- Environmental awareness and responsibility
- Creativity and self-expression
- Social, emotional, and life skills development
