

## **Introduction of 10m Air Pistol and Air Rifle Shooting**

Dear Parents,

Greetings!

At Mayor World School it has been our earnest endeavour to bring you the very best of World Class facilities, so as to give your child the topmost level of well-rounded education that schooling has to offer.

You would be pleased to know that we introduced the international Olympic game 5 L of 10m Air Rifle and Air Pistol shooting last session in the school campus for the benefit of the children of Mayor World School. The game that has seen famous Indian players like Abhinav Bindra, Gagan Narang, Heena Sidhu, Jitu Rai, Jaspal Rana to name just a few, is now going to be available at Mayor World School in the form of a competition level range.

Being an individual game that involves high levels of concentration, shooting has several benefits such as

- Totally safe; Air Guns out of classification of 'firearms' by the Supreme Court
- Can be played by both boys and girls aged 10yrs upwards
- Less physically demanding than most other sports
- Vast improvement in concentration powers
- Easy to win medals at various levels due to less competition

- CBSE recognised sport – extra marks and sports quota in future admissions
- State and national level players get sports quota in colleges and jobs
- Participation at International level for top achievers
- Several options – pistol, open sight rifle, peep sight rifle etc

A competition level range with a structured coaching programme, imported weapons, pellets, targets and other consumables are part and parcel of the programme.

The programme is a result oriented one , aimed at making the children participate in various level tournaments. Every participating child will get to play in at least one tournament and selected children will play at the district, state and national levels.

Presently the programme is open only to Mayor World School students , later would be extended to other schools in the after school hours. Fee for our students would be subsidised.

Kindly give your consent if you are interested in the participation of your ward in this initiative.

Entries will be accepted on first come first basis

Regards,

Mayor World School

## **TRAINING PROGRAMME FOR 10M SHOOTING SPORT**

Specially designed training programme will be implemented by a fully trained coach, who has participated at National Level Shooting Competitions and is keen enthusiast of this sport.

The estimated details for the first year training programme is as follows:-
