Subject: Your Voice, Our Commitment

Dear Parents and Students,

Jai Hind!

At our School, we believe that meaningful progress begins with listening. The ideas and perspectives of our students and parents are invaluable in helping us create an even better learning environment. Every suggestion, observation and idea shared with us is an opportunity to learn, reflect and make the School experience better.

With this in mind, the School has placed Suggestion Boxes at the following locations:

- **E Floor (opposite Chemistry Lab)**
- **Parents' Lounge**
- **Basement (opposite Computer Lab)**

We warmly invite parents and students to share their suggestions, ideas and constructive feedback on how we can further enhance the School environment, facilities, and overall experience.

You may choose to share your suggestion anonymously or with your name— every voice matters. We assure you that your feedback will be received with openness and considered thoughtfully, with the sincere endeavour to bring about meaningful improvements wherever possible.

Let us work together to make our School an even more welcoming, progressive and enriching place to learn and grow.

Your suggestion could be the idea that inspires our next improvement.

Warm Regards

Mayor World School
